The 90-room Courtyard by Marriott hotel will include two meeting rooms, a full service bar and restaurant called The Bistro that will be open for breakfast and dinner, and a

Starbucks that will be open to the public 7 days a week.

“Building the downtown hotel gives us the opportunity to be a part of the community,” Chapman said.

“It will be wonderful for everyone who visits downtown. You’ll be able to fully experience the gem that is downtown LaGrange.”

The hotel will also include a putting green, splash pad, and 10-foot long fire pit for guests.
