### Community Development Department Approval

Plans Reviewed for Code Compliance: \_\_\_\_\_ City Project Number: \_\_\_\_\_

Released for Permit: \_\_\_\_\_ Date: \_\_\_\_\_

**NOTICE:** Separate permits are required for *Exterior Signage, Plumbing, HVAC and Electrical work*. Special Permits are required for *Work in the Historic District and will require approval by the Historical Commission*. This Building Permit becomes NULL and VOID if the work described and authorized is not commenced within 180 calendar days, or work is suspended, or the project abandoned for a period of 180 days at any time after the work is commenced.

All provisions of the laws and ordinances governing this type of work will be complied with. The granting of a Permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction, or the performance of construction. Issuance of the Permit does not supersede the requirements of O.C.G.A. Sec. 43-14-17 of the Georgia Code regulating Residential and General Contractor Licensing.
